

Controlled Flight Into Terrain (CFIT) And Overreliance on Automation

We'll take a look at CFIT accidents and recommendations from the General Aviation Joint Steering Committee. We'll discuss some Safety Risk Management and Technological solutions to CFIT challenges and, finally; we'll give you some recommendations that will help you to avoid CFIT accidents.

Prior to attending this safety seminar, please review and abide by current CDC, State and Local health guidelines.

Directions: See map for directions. Once you enter the FBO, the multi-purpose room is located to the left.
